The Honorable Shelley Moore Capito
US Senator for West Virginia
170 Russell Senate Office Building
Washington, DC 20510

Dear Senator Capito,

On behalf of the Grant County Commission, I submit this letter of support for the Petersburg Sports Complex, Inc.'s FY 2025 Congressionally Directed Spending request. Our Commission recognizes the desperate need for a new recreational facility to serve the growing participation in youth sports in our county. We support this community-lead initiative to build this new multi-use recreational complex in downtown Petersburg. This facility will be an important community asset that will help keep our youth involved in sports and community activities. In addition to its many benefits for our local schools, youth sport teams and community groups, this new complex will also contribute to local economic development through tournaments and other special activities in downtown Petersburg. Another important benefit is the successful program with our WVU-Grant Memorial Hospital Wellness Program. This sports center will be crucial to the continued development and success of this program for improved healthier lifestyles and combating obesity and drug use.

In closing, the Grant County Commission supports the creation of the Petersburg Sports Complex and has committed \$150,000.00 toward this project. We urge you to advance this Congressionally Directed Spending request to bring this facility to Grant County.

Respectfully,

Scotty Miley, President
Grant County Commission
